The Home Buying Process Know the basic steps to purchasing a home in Chicago or anywhere

Contact an agent that will walk you through the transaction
Get pre-approved for a mortgage
Create your wish list for a home - Including deal breakers!
Find your home with your agent
Make an offer with appropriate contingencies
Negotiate any counteroffers and terms of the agreement
Take care of all loose ends from contract to close
Close on your new home!
Keep track of maintenance items in the home, rebuild your savings, and enjoy your new home!
Keen track of maintenance items, rebuild your savings, and enjoy your new home!
