How To Keep A Trading Journal - 8 Details to Include in Your Entries

Trading is a game of strategy that requires you to make the most out of every investment. This can be challenging if you're not keeping track of your thoughts & feelings during trades or just looking at the big picture. To help, we compiled a list on how to keep a trading journal - and which details you should include in your entries.

Date and time
Trading instrument
Trade direction
Position size
Entry and exit prices of the trade
Results of the trade (any profit or loss made)
Reasons for taking a trade
