

"The Great Resignation" - Quit the Job you Hate and Do One of These 20 Things Instead

A study has shown that 40% of people are considering quitting their current 9 to 5 or corporate jobs and finding new happiness in what they do. Here's a list of 20 ideas of what to do after you quit.

- 1 Move to a new city and start fresh (sometimes a reset is all you need)
- 2 Become a consultant in your own field
- 3 Start freelancing
- 4 Work for a non-for project or a company you are passionate about
- 5 Get your real estate license
- 6 Work for a company that is built on the foundation of a good company culture
- 7 Invest in a franchise
- 8 Bartend or serve in a high-end restaurant (flexible, great tips, and everywhere is hiring right now)
- 9 Write your first novel
- 10 Start your own company
- 11 Open a Shopify storefront
- 12 Company has gone full-time remote, and that's not for you? Look for a company that is transitioning back
- 13 Create ebooks in your industry, and sell them on Amazon
- 14 Become a content writer
- 15 Blog about your industry or your passion
- 16 Start your passion project
- 17 Live abroad

18 Look for a permanent remote job
