

# Pokemon Ruby, Sapphire, and Emerald Berry Uses and Locations

List of all berries with their uses and locations in Pokemon Ruby, Sapphire, and Emerald versions. There is no "bonus" for obtaining all of these berries and this checklist should be considered an optional post-game objective.

**Cartridges with a dead internal battery will be unable to grow additional berries and receive daily gifts from NPCs. Replacing a dead battery can also result in glitches related to timed events. It will be extremely difficult to get to Mirage Island on a cartridge with a dead internal battery.**

**It is not possible to receive every berry in a single playthrough. It will require multiple game resets and trading to get all 5 berries that are based on the Trainer ID number.**

**Access to a GameCube with Pokemon Colosseum or XD: Gale of Darkness and a link-cable is necessary.**

- ☐ 01 Cheri Berry - Cures paralysis - Grows on Routes 103 and 104 upon arriving; possible to receive at the Pretty Petal flower shop; possible to receive from a Gentleman in Lilycove City; possible to receive from the Berry Master's wife if do not get a "special berry."

- ☐ 27 Cornn Berry - No effect - Possible to receive from the Berry Master; possible to receive from Kiri in Sootopolis City
- ☐ 28 Magost Berry - No effect - Possible to receive from the Berry Master; possible to receive from Kiri in Sootopolis City
- ☐ 29 Rabuta Berry - No effect - Possible to receive from the Berry Master; possible to receive from Kiri in Sootopolis City
- ☐ 30 Nomel Berry - No effect - Possible to receive from the Berry Master; possible to receive from Kiri in Sootopolis City
- ☐ 31 Spelon Berry - No effect - Receive from the Berry Master's wife after telling her the phrase "Great Battle." Only able to receive once.
- ☐ 32 Pamtre Berry - No effect - Receive from the Berry Master's wife after telling her the phrase "Challenge Contest." Only available after entering the Hall of Fame, only able to receive once.
- ☐ 33 Watmel Berry - No effect - Receive from the Berry Master's wife after telling her the phrase "Overwhelming Latias." Only available after registering Latias as "seen" in the Pokedex, only able to receive once.
- ☐ 34 Durin Berry - No effect - Received from the Berry Master's wife after telling her the phrase "Cool Latios." Only available after registering Latios as "seen" in the Pokedex, only available to receive once.
- ☐ 35 Belue Berry - No effect - Receive from the Berry Master's wife after telling her the phrase "Super Hustle." Only available after entering the Hall of Fame, only able to receive once.
- ☐ 36 Liechi Berry - Raises Attack when HP falls below 25% - Grows on Mirage Island on Route 130 upon arriving. Overwhelmingly rare to access this island where access is granted based on invisible values related to a Pokemon's personality. An individual Pokemon has a 1/65536 chance of causing the island to appear each day. If the game cartridge's internal battery is dead, the invisible numbers causing Mirage Island to spawn will never change.
- ☐ 37 Ganlon Berry - Raises Defense when HP falls below 25% - Must be transferred from Pokemon Colosseum or Pokemon XD: Gale of Darkness.
- ☐ 38 Salac Berry - Raises Speed when HP falls below 25% - Must be transferred from Pokemon Colosseum or Pokemon XD: Gale of Darkness.
- ☐ 39 Petaya Berry - Raises Special Attack when HP falls below 25% - Must be transferred from Pokemon Colosseum or Pokemon XD: Gale of Darkness.
- ☐ 40 Apicot Berry - Raises Special Defense when HP falls below 25% - Must be transferred from Pokemon Colosseum or Pokemon XD: Gale of Darkness.
- ☐ 41 Lansat Berry - Raises critical hit ratio when HP falls below 25% - Emerald only: Given away by Scott in the Battle Frontier after the player has obtained all seven Silver Frontier Symbols

☐ 42 Starf Berry - Sharply raises a random stat when HP falls below 25% - Emerald only: Given away by Scott in the Battle Frontier after the player has obtained all seven Gold Frontier Symbols

☐ Bonus: 43 Enigma Berry - Not obtainable through standard gameplay, was originally used as a placeholder for e-Reader Berries. May be placed in the game using a cheating device like a GameShark or GameBoy Replic
