

Chiropractor Near Livonia

Canton Center Chiropractic has been proudly serving the Canton community for over 32 years. Dr. Robert E. Potter, Jr., D.C. bought the practice in 1989 when it was located on Ford road with only 3 treatment rooms, x-ray, and a very small front desk. As Canton Township grew, so did we. In 1998 Dr. Potter opened the clinic at its current location, which over time, has had three expansions.
