

# Free Download: Corporate Culture Checklist

A recent study revealed that a third of employees plan on quitting their job in the next 12 months. The leading causes are corporate culture, better work-life balance, lack of empathy from bosses, and a desire to find more meaningful work. So, it's time to change, starting with a new corporate culture.

- ☐ Schedule a meeting with each employee
- ☐ Prepare to listen and take notes
- ☐ Ask about their happiness
- ☐ Ask if their job is meaningful
- ☐ Ask how to improve the corporate culture
- ☐ Ask if you've provided the best technology to get the job done right
- ☐ Ask about their work-life balance, and if it can be improved
- ☐ Ask what they think about remote work and flex hours
- ☐ Ask if they feel valuable at work.
- ☐ Ask if they love their job and the company
- ☐ Start implementing
