

# complementary colours to use in presentations

grab your customers attention right away!

- fuschia title on mint green background
- bright yellow title and blue background
- carrot orange title and baby blue background
- brown title on baby pink background
- yellow title and dark purple background
- rose red title and lemon yellow background
- oak brown title and pale yellow background
- white title and lilac background
- REMEMBER: White text works well with almost all vibrant/darker colours.
